1st Nine Weeks Practice Record

Grading Rubric

Goal: Two 10 minute practice sessions a day.

14 Sessions = 100	12 Sessions = 95	10 Sessions = 90	8 Sessions = 80
6 Sessions = 70	4 Sessions = 60	2 Sessions = 50	1 Sessions = 40

The goal is to make a routine of practicing at home. More frequency in shorter sessions rather than skipping days and cramming practice will be more beneficial for the students. Counting, Note Flash Cards, First Sounds, Method Book, and Concert Music are all appropriate practice material.
